

Wilburton Primary School Medium Term Plan

Term: Autumn 1, 2022	Class/Year Groups: Foxes		Subject: Computing		Topic/Unit: Digital Literacy	
Value Skill in Focus (building up each half-term)	Autumn 1: Focus	Autumn 2: Respect and Collaboration	Spring 1: Initiative	Spring 2: Curiosity	Summer 1: Resilience and Risk Taking	Summer 2: Applying them all to be successful learners
Main Outcome: (oral, written or practical - one of each type per subject per year, in most subjects)	<p>Intent:</p> <ul style="list-style-type: none"> To be able to use a range of devices and programs confidently, safely and for a clear purpose <p>In this unit, children will work to produce a guide to growing rhubarb (in science) using Google Draw and film and upload an advert for the Brittany Coast to demonstrate their confident and creative users of Google Classroom. .</p> <p>To achieve this outcome they will need to be taught the following general, transferable, oral/written/practical skills: independently logging into Google Classroom; choose fonts and colours which suit the text being created; create text boxes in a range of Google applications; using Google draw to manipulate the position of text and images on the page; use Chromebooks and I-pads as a filming tool; upload content onto Google Classroom. .</p>					
<p>Key Concepts in this subject for children to learn and remember (knowledge, skills, vocabulary)</p> <p>One per box, between 6-12 depending on age and length of unit of work.</p>	Google Classroom	Login	Password	Google Draw	Layout	Font
	Children independently log on to Google Classroom to access assignments and information.	Children store their logins safely and take responsibility for being able to remember or access these independently.	Children will understand the importance of keeping passwords private.	Children will learn to use Google Draw as a tool which allows easy manipulation of text and images.	Children will learn to manipulate layouts for different purposes.	Children will learn to choose font types, size and colour to suit different purposes.
	Google Slides	Filming on a Chromebook	Google docs	Upload		
	Children will be able to access Google Slides and add their own information and / or images to a class slide show.	Children will learn to record an advert and upload it to Google Classroom.	Children will build on their knowledge of Google Classroom throughout the year including using Google Docs.	To transfer data from one device or application onto Google Classroom (for our purposes).
