Dear Parents and Carers,

We are very much looking forward to welcoming your child or children into Fieldmice Class next year. This letter provides information about transition into our class for September. This is a vitally important period to both allow the children to settle and get used to school routines and also to allow the EYFS staff team time to build positive relationships with each and every child through working in smaller groups. Because of events this year, we have extended the transition by one week to help settle children and provide as smooth a start as possible. This table outlines how transition is going to work in September.
