Back to Winning Ways for Wilburton!

Our football team put 9 goals past St Andrew's Soham on Thursday evening to claim their first win of the summer! Fantastic play from all the team ensured the win, with passing skills showing great improvement and solid tackling in defence. The team: GK – Archer; Striker – Josh; Midfield – Harry, Joel, Lewis; Defence – Ben, Liam, Luca.

The final score was 9-7, with a double hat-trick from Josh, two goals for Joel and one for Lewis. Archer in goal played with confidence and assurance, making some brilliant saves, especially in the first half. Man of the match awarded to Josh for his six goals. A well-deserved win by the team. Congratulations and keep it up everyone!

New House Names Announced

On the final day of the Spring Term, children from each class presented their nominations for our new house names to the school. After all the speeches and secret ballot, the winners were announced in Celebration Assembly. We are very pleased with the children's choices! They are:

Sports Achiever: Lizzy Yarnold

Artist: Quentin Blake

Scientist: Ada Lovelace

Explorer: Neil Armstrong

We have re-arranged the children into the new houses, to even out the numbers and so they are with their siblings. From this week, children will be awarded points and certificates and sit in their new groups for assembly: Yarnold, Blake, Lovelace and Armstrong.

Community Action Day 2: Saturday 11th May

Come and help us on our second community action day as we hope to carry out more groundwork to create an amazing outdoor area for the school. We will be working on-site from 10am up to 4pm, and really need your help for however long you can, even if it's just for an hour. Local family-run firm FDS Cambridge, based on the A10 near Little Thetford, have been absolutely brilliant in supporting us, as have Ely Skip Hire. These companies are providing us with 12 tons of top soil, a huge skip and reclaimed building products, which they will drop off in our school car park on Friday 10th May. As ever, David Maltby is doing a tremendous amount of work and helping to direct operations. We will send out a schedule of jobs for the day soon, and they will include painting, barrelling, concrete mixing and general waste clearance. If we can get a lot of support again we will be well on our way with these areas. Exciting times!

Don't forget to check our school website!

www.wilburton.cambs.sch.uk for latest news, diary and term dates, calendar plus photos of recent events – all regularly updated. Also look out for your child's termly curriculum overview sheet this week, detailing the learning and vocabulary in their class for this term.
