

## WOOSC Meet the Trustees

### **Helen Attrill – Chair**

Hi, I'm Helen and I have twin girls, Grace and Lucy, in Year 4. From starting at the school in Reception, our daughters have been regularly attending sessions at WOOSC and participating in Summer Club. My husband and I both work full time, so having this facility available at the school is invaluable to us. Not only do they love their time there (and often ask if they can attend more sessions!), but we know that they are brilliantly well cared for. I have been on the committee, and the Chair, for almost 3 years, and I get to work alongside a fantastic group of fellow parents to support and manage the running of the club. We are supported by the board of governors and by the school. Without this small outlay of time and effort from each of us, the out of school club just wouldn't exist. It's so important for our children, and those yet to join the school that we look after WOOSC and keep this amazing facility going long into the future!

### **Kayleigh Cochrane – Treasurer**

I'm Kayleigh, and I'm proud to serve as the Treasurer for The Wilburton Out of School Club. I've always had a passion for working with numbers, and with my background in accounting & finance, I'm responsible for overseeing the charity's finances, ensuring we stay on track and are able to support the children and families who rely on our services. When I'm not working on the charity's finances, I enjoy family trips and spending time outdoors. I'm so thankful to be part of this amazing team and excited to continue helping WOOSC grow and thrive

**Mary Bemment – Secretary**

I'm Mary and I've been a trustee and secretary of WOOSC since 2021. My kids Lucy (year 4) ad Fin (Year 2) have attended WOOSC since starting in reception. I work full time as does my husband so knowing the kids are having a great time both before and after school is great and made the transition from nursery to school so much easier. The trustee commitment is fairly minimal but its great to feel like I'm playing my part in continuing the provision for future families and also making a difference to those who are currently enjoying the WOOSC.

**Clare Wordsworth – Trustee**

I'm Clare, my youngest daughter is in year 4 and I've been using the after school club since she was in reception. I work part time so we use it around that and honestly it's been great! I joined the committee to try and help out where I can and it fits in well around my busy family life.

**Vicki Ruffell – Trustee**

Hi, my name is Vickie. I have always worked full time for 4 days of the week which has meant my three children whom attend the school in years 5 and 6 have utilised the after-school club facilities quite well over the years. They have really enjoyed all that is on offer to them and the staff, whether that be in breakfast club, after school club or the summer club that they often join too. As a committee member of just over three years i have been fortunate enough to see the decisions we have made and how they have contributed to the many changes and improvements that have been put in place. As a committee we are always open to bringing in new members, it's a role where no experience is required, just new people with fresh ideas and potential skillsets we could utilise along the way.

**Jan Johnson - Trustee**

I retired and moved to Wilburton in 2021 to live closer to my daughter who is a teacher. My 4 grandchildren all attended the school and I currently have two there.

I am also a governor at Highfield Academies having taught in a North Yorkshire special school for 30 years. My interests include playing bowls, knitting, gardening, reading and I have recently qualified as a judge and timekeeper for Swim England.
